Revelation Science Class at TTC

2024 – 2025 Registration Packet

Biology, Chemistry, or Marine Biology

Thank you for your interest in my classes! Just to clarify, please note that I use my own registration form for my classes. This is the only one you need to turn in to me.

Before registering for my class, I recommend that you take a moment to review the class details and info about me on either my website or the TTC website.

This will help you select the best class for your student and prepare for what is expected. In addition, you will find all the necessary forms on the website.

Now onto registration! Please simply follow these easy steps:

- Fill out the 2-page registration form included in this packet, making sure to initial and sign where indicated.
- Turn in this form along with the proper fees to me.
- Fill out the TTC Family Agreement in full.
- Turn in the form to TTC, along with the proper fees.
- If needed, order TTC t-shirts.
- Review & adhere to the Dress Code & rules as detailed in the TTC handbook on the website, paying particular attention to the fact that non-TTC hoody jackets are not permitted.
- Plus - Dress Code regarding safety in my Lab classes: **No shorts & ONLY Closed-toed shoes**

It's important to note that TTC holds an Orientation Day for all classes taught on Tuesdays, the week before class starts. It is a requirement for my classes, as it will provide you and your student with essential information for a successful learning experience. Additionally, please check with each teacher your student is registered with as to their guidelines regarding orientation attendance.

And to help you stay organized, please print out the School Calendar from the TTC website, then place it in your student's notebook. I believe this will be a helpful reference throughout the year.

If you have any questions or need further assistance, please do not hesitate to contact me. I am here to help and I look forward to meeting you and your student at Orientation!

Special encouragement for my students:

Students,

**Thank you for assisting in glorifying God in word, deed, and dress,
as well as helping create an environment better suited for you and fellow students
to build friendships and focus on learning more about God through science.**

Let's make a difference, one good decision at a time! Mrs. Garza 😊

2024-2025 Revelation Science **Biology, Chemistry, or Marine Biology** Registration Form

STUDENT'S NAME (1 STUDENT / FORM): _____

GENDER:

GRADE:

AGE:

As of first class

As of first class

PARENTS' NAME(S) (BOTH PLEASE): _____

ADDRESS: _____

PHONE NUMBERS:

MOM's CELL _____

City/Zip _____

DAD's CELL _____

EMAIL: (*Please print clearly*). Communication is vital. Please list the email you check often.)

PARENT's email _____

STUDENT's email _____

Texting used for critical items, so please include

STUDENT's CELL _____

Please initial the following: (This is a contract, so please understand what you are agreeing to do.)

- _____ I understand yearly tuition is divided into 10 payments (July 1 thru April 1); therefore, the full tuition is due regardless of how many classes are scheduled in a given month. I am to choose from one of the payment options listed in the course description, which includes the lab fees. It is to be fully in place by Orientation to maintain enrollment. Payments are due on the 1st and late on the 11th when a \$10 late fee is assessed.
- _____ I understand this is a full year commitment. I have every intention of having my student complete this class unless unforeseen complications arise such as illness, moving, loss of income, etc. I understand I should contact you immediately if the need arises to drop the class. Drop before Sept. 30, then 2 additional months tuition is due. Drop AFTER Sept. 30, then full year's tuition is due. Lab fees are not refunded.
- Participation in this class constitutes my agreement to hold Revelation Science, Karen Garza, and/or any of their affiliates, sponsors, and/or representatives harmless and free of any and all liability for damage, injury, and/or loss of/to property or person. I also agree that I have read and understood the TTC handbook rules and will follow them accordingly. My student(s) is also held accountable to follow rules that apply to them.
- Participation in this class constitutes my agreement to allow photo/video representations of my student to be used by Revelation Science for promotional purposes and without any compensation.

Parent's Signature: _____ Date: _____

(The registration cannot be processed without a signature & date. Did you fill in the class? See ➤ at top.)

The class is limited in size. Spots are reserved only after forms & fees are received by TTC & Karen Garza.

Make checks payable and mail registration to:

Karen Garza or Revelation Science
7327 Root Road, Spring, TX 77389

2024-2025

Urgent and Emergency Contact Information – ONE PER STUDENT

Please provide the following information so that in the event, such as weather that causes class to be cancelled the day of class or if an emergency arises once your student is in class, you may be contacted. Contact is done in the order of names listed.

In order to assist the recognition of my phone number, I suggest you put my phone number in your phone and include "science teacher" with my name when you input my information. I also recommend asking the two other people on the list to do the same. Thank you.

(Karen Garza 832-483-9643)

*** If your student has a life-threatening allergy and/or carries an Epi Pen, then this form must be accompanied with a written protocol, including where the Epi Pen is carried & how to use it.

PLEASE PRINT CLEARLY

STUDENT NAME: _____ **AGE:** _____
As of first class
